01
SCAN & CHECK IN
Enter your name, fund and email or phone **once**. Only your fund's name is shown to other investors.

02
FOLLOW THE PITCHES
All 21 startups in pitch order, each with a one-page summary. **Now pitching** stays pinned at the top.

03
TAP TO RESPOND
Pitch deck · **Meet today** · **Meet after event**. Saved instantly. Pick any, tap again to withdraw.

04
GET CONFIRMATIONS
RTIH confirms meetings: the **room and time** appear under **My requests**. The **Live board** shows which funds are interested.

Good to know: a meeting request is an expression of interest, not a confirmed booking. Every request goes to the RTIH team first, and nothing is sent to founders automatically. The live board shows interest only, not investment decisions.

Need help? Ask any **RTIH team member**. On another device? **My requests → Share my link**.
